Planning, Development and Infrastructure (Environment and Food Production Areas) Amendment Act 2025

Schedule 1

Preamble

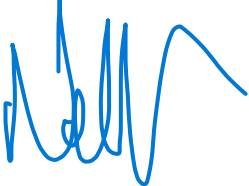

Clause 2(2) of Schedule 1 of the *Planning, Development and Infrastructure (Environment and Food Production Areas) Amendment Act 2025* (the Act) specifies that the Limited Land Division Overlay is taken to apply to *former EFPA land* (as defined in clause 2(5) of the Act) on commencement of the Act until a further amendment to the Planning and Design Code disapplies the Limited Land Division Overlay to that land.

Clause 2(4) of Schedule 1 of the Act allows the Minister to, as soon as reasonably practicable after the commencement of the Act, amend the Planning and Design Code by notice published on the SA planning portal to reflect the fact that the Limited Land Division Overlay applies to *former EFPA land*.
