Part 2: Add the Appeal

The purpose of the two-part process is to enable the ability to record multiple appeals against the one matter, for example:

- multiple third party appeals on a single matter, or
- applicant's appeal against conditions, or
- Third-party appeal against the decision.

10. Click on **Add Appeal** to provide appellant name and what is being appealed.

The screenshot shows a web interface for managing appeals. At the top, there's a section titled 'Appeals'. Inside this section, there's a button labeled 'ADD APPEAL' which is circled in red. Below the button is a table with the following headers: 'Appellant Name', 'What's Being Appealed?', 'Outcome', and 'Date Appeal Lodged'. The table is currently empty, displaying 'No Appeals'.

11. Complete the **Appeal** fields as follows.

The screenshot shows the 'Appeal' form. It includes a 'Help for this section' link. The form fields are:

3. Provide the Decision Notification Form

Only, when ‘Reverse the Decision’ is the appeal outcome

A revised *Decision Notification Form (DNF)* is generated, and an email notification sent to the applicant, primary contact, land owner(s) and relevant parties’ e.g. relevant authority, referral bodies, representors etc.

When the applicant and primary contact’s communication preferred method is ‘post’ the DNF will need to be printed and put in the post.

- 1. Click on **Documents** tab to locate the DNF.
- 2. Click on the **Decision Notification Form file name** to download.
